

# ellie's chopstick roll

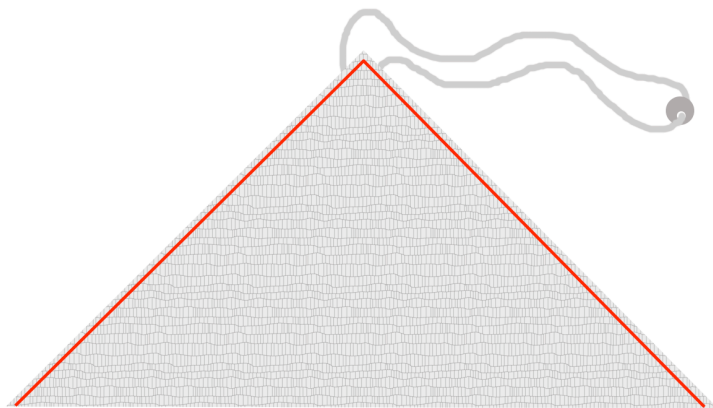

Reduce waste and save forests by carrying your own chopsticks wherever you go.

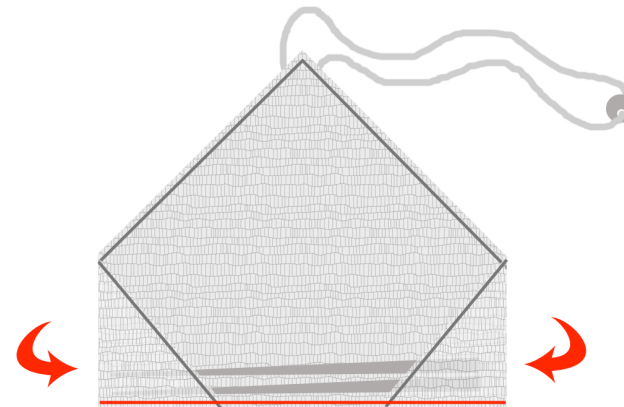

28 cm square fabric, 1 bead,  
45 cm cord, one pair of chopsticks

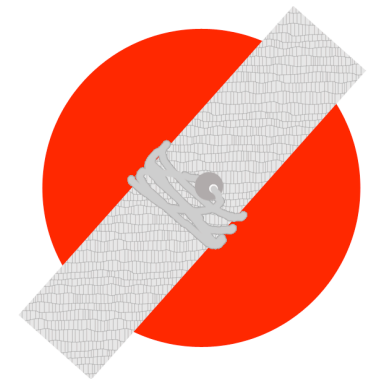

1. Fold square into triangle, right sides together. Slip bead onto cord; insert into triangle. Sew along open sides, leaving a gap at one corner.

2. Turn right side out. Top stitch along two sides.

3. Fold corners in to fit chopsticks.  
Top stitch across bottom.

4. Roll, wrap and tuck bead under cord.
